WATER SHORTAGE AT PHIPHIDI AREA

05 April 2017

There's a slow supply of water in areas such as Phiphidi, Ngovhela, Sibasa Makwarela and Miluwani due to the electrical failure at Vondo Water Plant yesterday.

We request residents to be patient as pumping has resumed and we are waiting for the reservoirs to be filled up so that water is supplied in all areas.

We apologize for the inconvenience caused.
