

## **MEDIA RELEASE**

# **VONDO SHUTDOWN NOTICE**

22 November 2017

Vondo Water Treatment Scheme is not operating as it has been shut down due to technical challenges. The pump is currently being repaired for effective operation.

The maintenance work will result in water shortage in communities supplied by Vondo. Areas such as: Sibasa, Ngudza, Dzingae, Duthuni, Makwarela, Lufule, Magidi, Phiphidi, Donald Freser, and Thohotandou Unit C & D to be affected.

Normal water supply will be resumed once the maintenance is completed. We apologize for the inconvenience.
