EXECUTIVE MAYOR OF VHEMBE DISTRICT CONDEMN VIOLENCE AND LOOTING

14 July 2021

The Executive Mayor of Vhembe District Municipality, Cllr. Dowelani Nenguda during the special Command Council meeting held through virtual has condemned violence and looting of goods and the destruction of infrastructure in certain parts of our country.

"I strongly condemn at all costs the destruction of our infrastructure, we should not allow our hard earned success and progress built in so many years to be destroyed in few seconds.

Looting of our shopping malls and other businesses will result in serious extreme poverty and hardship" said the Executive Mayor.

He further said that many of our community members will be unemployed, there will be shortage of food, health care activities will be disturbed, rendering of various Services to our communities will be delayed and the vaccination processes will also be derailed.

" I call upon our Traditional leaders, Religious fraternity, Business sectors, Traditional healers, Labour unions, Political leaders, including other various community structures to stand together and say no to looting in our district" he added.
