SHORTAGE OF WATER AROUND VUWANI AREA

12 June 2019

There's shortage of water around Vuwani areas due to the burst pipe at Vondo water plant. Technicians are currently fixing the pipeline and normal water supply will resume immediately after the repair is complete.

Affected areas includes areas such as Phiphidi, Thohoyandou block G.F, and G extension, Lwamondo, mangilazi, Tshino, Vuwani, Davhana, Hanani, Tshimbupfe and other areas around Vuwani line.

We apologize for the inconvenience, water tinkering will be activated to these affected areas.
