SHUT DOWN OF VONDO WATER PLANT

24 January 2019

There will be a shutdown of Vondo water Plant between the 25th and 26th January 2020, the shutdown is taking place due to the maintenance plan on the raw water pipeline.

We humbly request residents to use water sparingly during this period and villages that might be affected by the shortage of water during the weekend includes amongst others Mukula, Dzingahe, Lufule, Dwerani, Tswinga, Lwamondo, Mukumbani, Vhufuli, Mbilwi and many other villages that are supplied by Vondo water Plant.

Normal pumping of water will start from the 27th January 2020.

We apologize for the inconvenience caused.
