"I WILL COME BACK AGAIN TO GIVE YOU FEED BACK," SAYS EXECUTIVE MAYOR, CLLR. FRIDAH NKONDO

"I have listened to all your submissions, and I will come back to provide feedback, and some of your challenges will be forwarded to the relevant departments," said the Executive Mayor, Cllr. Fridah Nkondo during the Mayoral Imbizo at Mbodi Tsha Fhasi, under Tshikundamalema Traditional Authority.

The Executive Mayor, Cllr. Fridah Nkondo further said that follow-ups will be made to all outstanding water projects, and various areas will be visited to check the backlogs and progress made regarding service delivery.

Vho-Mashudu Magoro, representing Mushithe village, thanked the government for providing 20 RDP houses. Hence, they still face challenges of water shortage, lack of cellular phones network, stock theft, and regravelling of roads.

Thovhele Vho Tshikundamalema said that he appreciate the community for what they have raised, and the government should look at the issues raised. Hence, we understand that services cannot be provided in one day.
